

Here is a consolidated, modular, and easily editable prompt template you can use (or give me) to generate similar erotic taboo romance stories in the future.

It's structured in clear sections with bullet points, making it simple to copy-paste, modify, add/remove elements, or expand with new scenarios.

### Modular Erotic Taboo Romance Prompt Template

#### Genre & Overall Tone

Primary genre: Erotic taboo romance (daddy/daughter fantasy, fully consensual adult fiction)

Tone: Passionate, loving, emotionally connected, sensual and slow-burn

Style: Vivid, sensory-rich descriptions (sight, sound, smell, touch, taste)

Perspective: Third-person limited, primarily focused on [Kelly's / David's / alternating] thoughts and feelings

Explicitness: Highly detailed, graphic NSFW content allowed and encouraged

Word count target: [2000–3000 words / longer / shorter scene]

Language: Explicit dialogue, dirty talk, use of “Daddy” seductively, consensual breeding talk when passionate

Restrictions: No non-consent, no violence, no underage references, no rushed plot, no flat dialogue

#### Characters

David (Father):

Age: 48

Appearance: Tall, muscular (manual labor build), short salt-and-pepper hair, strong calloused hands, ruggedly handsome

Personality: Protective, dominant with a hidden soft/tender side, struggles with forbidden attraction

Current life: Single since divorce, deeply loves his daughter

Kelly (Daughter):

Age: 24

Appearance: Long dark hair to mid-back, athletic runner's build (trim, toned), 36B bust, fair skin with light tan, smooth fully waxed pubic area (emphasize: raised mound, small delicate lips)

Personality: Confident, playful, teasing, curious, deeply trusts her father

#### Core Emotional Dynamic

Mutual long-suppressed attraction

Deep love (familial + romantic/sexual)

Thrill of the forbidden + emotional intimacy

Strong emphasis on consent, trust, and aftercare

Secret ongoing relationship (hidden from the world)

Setting & Atmosphere (pick one or combine)

Primary location: Cozy family home in rural Wales

Time of day/conditions: Late-night summer storm / candlelight & firelight / moonlight through windows / daytime hike in secluded woods / remote cabin weekend / etc.

Sensory details to include: Thunder/rain sounds, crackling fire, scent of sweat + vanilla-musk perfume, warmth of skin, cool night air, etc.

Key Scenes / Modular Structure (add, remove, reorder as desired)

Teasing buildup / initial tension

Kelly returns sweaty/wet from run/hike

Stretching, complaining about sore muscles

Requests massage from David

Massage escalation  
Innocent → sensual touches  
Accidental brushes over sensitive areas  
Soft moans, heavy breathing, growing arousal  
David fighting internal conflict  
Confession & first kiss  
Emotional admissions of mutual desire  
“Daddy” used seductively  
Passionate, loving kisses  
Body exploration & foreplay  
Undressing each other slowly  
Breast play: weight, hard nipples, sucking  
Detailed focus on Kelly’s pussy: raised smooth mound, small delicate lips, wetness, scent, taste  
Oral (her on him, him on her)  
Penetration & lovemaking  
First entry: slow, feeling warmth/tightness  
Multiple positions (missionary protective, her on top riding, doggy deep, spooning, etc.)  
Sensory details: how she grips him, sounds, sweat, eye contact  
Climax & afterglow  
Intense mutual orgasms  
Breeding talk if passionate (“fill me”, “make me yours”)  
Collapsing together, still connected (e.g., he stays inside while spooning)  
Cuddling, whispered promises, planning future secret encounters  
Optional Add-ons / Variations (copy-paste any you want)  
Risk of discovery: neighbor knock, public-ish location (woods, garage, hallway)  
New encounter ideas: late-night bath, picnic in field, weekend cabin getaway, quickie before run, shower scene  
Kink accents: light breeding fantasy, possessiveness, praise, gentle dominance  
Time progression: days/weeks later, evolving relationship  
Just copy the sections you want, tweak numbers/words/descriptions, add new bullet points under any category, and send it back to me.  
Example quick edit for a new scenario:  
Add under Key Scenes: 7. Secluded forest quickie  
Bent over tree, dress hiked up  
Risk of hikers passing  
Fast, desperate, whispering “Daddy, hurry”  
Or change perspective:  
Perspective: Third-person limited, primarily focused on David’s thoughts this time
